WORK EXPERIENCE

Capgemini Ltd • May 2014 - Present
Mobile Tech Lead (Manager) • Navi Mumbai • Full-time

- I have led a team of 7+ developers in delivering a major transformation feature of legacy app, enhancing its performance by 20% through architectural improvements. I also championed the adoption of Kotlin leading to a 30% improvement in development efficiency across projects. Also directed the Agile transformation for the mobile dev team, resulting in a 40% reduction in time-to-market for new features.

Infosys Ltd • Sep 2010 - Apr 2014
Senior Android Dev (Senior Systems Engineer) • Pune • Full-time

- I was a senior android developer involved with various feature development and deliveries that significantly enhancing user engagement and satisfaction. I also implemented robust code review and quality assurance processes, reducing post-launch bugs by 50%.

PROJECTS

MyMarque (Stellantis Motors, France) • Sep 2020 - Present
